

Mitigate risk, eliminate gaps and protect your balance sheet.

Ask your insurance advisor about the CT ABC Contractor Protection Program, a specialized insurance package developed by Smith Brothers Insurance and The Hartford, with pricing that recognizes the controls in place for STEP participating contractors.

BUILT IN CONNECTICUT, CUSTOMIZED FOR CT ABC MEMBERS

- Service, management, decision making, claims, risk control – all are right here in Connecticut
- Increased access to workers' compensation dividend programs for qualifying ABC and STEP members
- Designed to improve loss exposure, enhance your risk profile and lower future costs
- Dedicated insurance team who specialize in the construction industry, and understand Connecticut regulations and rulings
- Specialized liability coverage for the risks that face Connecticut contractors

THE HARTFORD — A LEADER IN THE CONSTRUCTION INDUSTRY

- 40+ years of solid experience serving the construction industry
- Top 5 carrier in workers' compensation
- A Fortune 200 insurance carrier with experience, integrity and insight
- Knowledgeable claims team that helps you control costs
- A safety program that's been helping lower risks since 1975; which includes quarterly safety education and training

FIRST CLASS SERVICE

- Single point of contact with Practice Leaders and Underwriters focused on the construction business
- Dedicated 800 number hotline with a claims/risk control liaison, for CT ABC members only
